The history of American football can be traced to early versions of rugby football and association football. Both games have their origin in varieties of football played in Britain in the mid-19th century, in which a football is kicked at a goal or kicked over a line, which in turn were based on the varieties of English public school football games. ...

America on the Move explores the role of transportation in American history. Visit communities wrestling with the changes that new transportation networks brought. See cities change, suburbs expand, and farms and factories become part of regional, national, and international economies. Meet people as they travel for work and pleasure, and as they move to new homes.

Modern history, the modern period or the modern era, is the linear, global, historiographical approach to the time frame after post-classical history. Modern history can be further broken down into periods: The early modern period began approximately in the early 16th century; notable historical milestones included the European Renaissance, the Age of Discovery, and the Protestant Reformation.

In recent years, the Business History Conference has sprouted several interest groups that have coalesced around perceived needs. The first two, "Women in Business History" and "Business Historians at Business Schools," meet informally over lunch at the annual meeting to discuss issues in the profession and to network. The "Emerging Scholars" group began informally, but its leadership now ...
