In recent years, information technology has had a profound effect on human resources (HR) processes and practices. However, relatively little research has examined its effectiveness, and most of the existing studies have not assessed the degree to which these new systems enable organizations to reach their HR goals of attracting, motivating and retaining employees.

Diversity does not only bring positive consequences. It has often been recognized that heterogeneity in
teams can reduce intra-group cohesiveness, and that it can lead to conflicts and misunderstandings which, in
turn, can lower employee satisfaction, citizenship behaviors and increase turnover.

Recognizing the benefits of diversity: When and how does

Abstract: Job satisfaction- dissatisfaction is a major concern to every organization irrespective of the type. As
job satisfaction boosts productivity and creates healthy and stress-free employees, job dissatisfaction does
the opposite.
