The PDF is stored in the e-mail folder in the Mail app. You can send it to another app by holding your finger on the PDF for a few seconds and tapping on the share icon (box with an arrow coming out the top). IBooks is the app I usually send PDFs to.

Where does a PDF file get saved in an iPhone if I have

I have a pdf document in which I am unable to search for words. No words in the document are found even though they do exist. If I copy a word from within the document and paste it into the search criteria then instead of getting the word that I copied, I get substitute characters and it can in fact find these characters as the word being searched.
