The birds had been more restless than every this fall of the year. Their agitation more remarked because the days were still. As Mr. Trigg’s tractor traced its path up and down the western hills, and Nat, hedging, saw it dip and turn, the whole machine and man upon it were momentarily lost in the great cloud of wheeling, crying birds.

most significant threat birds face in North America today. Without habitat “ appropriate food, shelter, water and space “ animals are not able to survive. Since habitat loss is a significant threat to the future of birds in our communities, the best way we can help birds is to replace or restore some of that habitat.
