

imperialism the official strategy pdf

American imperialism is a policy aimed at extending the political, economic, and cultural control of the United States government over areas beyond its boundaries. It can be accomplished in any number of ways: by military conquest, by treaty, by subsidization, by economic penetration through private companies followed by intervention when those interests are threatened, or by regime change.

In historical contexts, New Imperialism characterizes a period of colonial expansion by European powers, the United States, and Japan during the late 19th and early 20th centuries. The period featured an unprecedented pursuit of overseas territorial acquisitions. At the time, states focused on building their empires with new technological advances and developments, making their territory ...
