

in the witchs kitchen pdf

A REAL WITCH gets the same pleasure from squelching a child as you get from eating a plateful of strawberries and thick cream. She reckons on doing away with one child a week. Anything less than that and she becomes grumpy. One child a week is fifty-two a year. Squish them and squiggle them and make them disappear. That is the motto of all witches.

Roald Dahl THE WITCHES - PBworks
