Group topics will be created based on attendee online submissions at the end of day one.

### **2017 Reidy Interactive Lecture Series | Center for Assessment**

Interactive lectures include at least one opportunity for students to interact actively and directly with the material through a specific learning task. These can be brief segments within a larger lecture-based class period, and can include a single repeated technique or a mix of several different ones.

### **Interactive Lecture Strategies | Digital Classroom Services**

The juxtaposition of the words "lecture" and "interactive" might at first appear an unlikely pairing, but Thiagi has manage to pull off an intellectual sleight of hand in Interactive Lectures so that the unusual word association makes perfect sense.

### **Thiagi's Interactive Lectures • The Thiagi Group**

What is interactive lecture? An interactive lecture is an easy way for instructors to intellectually engage and involve students as active participants in a lecture-based class of any size.
