Laws regulating the practice of homeopathy in the United States vary from state to state. Usually, individuals licensed to practice medicine or another health care profession can legally practice homeopathy.

Homeopathy | NCCIH

Written by a world-renowned theoretical physicist, Introduction to Statistical Physics, Second Edition clarifies the properties of matter collectively in terms of the physical laws governing atomic motion. This second edition expands upon the original to include many additional exercises and more pedagogically oriented discussions that fully explain the concepts and applications.
