Travel is useful, it exercises the imagination. All the rest is disappointment and fatigue. Our journey is entirely imaginary. That is its strength. It goes from life to death. People, animals, cities, things, all are imagined. It's a novel, just a fictitious narrative. Littré[1] says so, and he's never wrong.

Filled with PDF slang and obscenities and written in raw, colloquial language, Journey to the End of the Night is a literary symphony of violence, cruelty and obscene nihilism. This book shocked most critics when it was first published in France in 1932, but quickly became a success with the ePub reading public in Europe, and later in America where it was first published by New Directions in 1952.

His books were glorified accounts of his own life, with the boring bits taken out and new details added in. In Journey to the End of the Night, he grabs you by the back of the neck, shoves your face in it and doesn't let go. Journey begins with Căline's protagonist, Ferdinand Bardamu, shooting the breeze with his buddy in 1910's Paris. Bardamu joins in a passing military parade to mock his patriotic countrymen, and ends up being drafted into the war.
