School of Architecture - University of Hawai'i at Manoa

Architecture is both the process and the product of planning, designing, and constructing buildings or any other structures. Architectural works, in the material form of buildings, are often perceived as cultural symbols and as works of art. Historical civilizations are often identified with their surviving architectural achievements.

A greenway is "a strip of undeveloped land near an urban area, set aside for recreational use or

environmental protection". However, the term can in fact include "a scenic road" and though many are in urban areas, there are some rural greenways, as for example the Monadnock-Sunapee Greenway, a hiking trail in southern New Hampshire. A greenway is a trail (and sometimes a wildlife corridor ...
