Language and Conflict - ETH Z

On the other hand, French is regarded as a language of the colonizer, a source of conflict and confusion, and that the country can only re-establish its authentic identity by operating solely in Arabic. Worst again, this attitude does not only concern the French language, but also its supporters Francophones.

Language Contact and Language Conflict - Tlemcen

Abstract Conflict plays a role in many social sciences. Linguistically, conflict between different ethnic groups often results from language contact. Problems viewed as political, economic or sociological in nature are often actually rooted in linguistic conflict. In the literature, however, contact has overshadowed conflict.

Language contact means language conflict: Journal of

Language is mobilised in the service of the nation and of nationalism, in the process of nation-building. That process emphasises differences between nations and destroys differences within nations. In conflict resolution, the issue of discourse is important.
