

### **language planning and policy pdf**

Languages are a fundamental aspect of people's lives and the democratic functioning of society. In response to the needs identified in or by its member states, the Council of Europe has been working over the past few decades to compile a set of resources made available to education authorities and professionals and benefiting all Europe's citizens (see milestones).

China's one-child policy was part of a birth planning program designed to control the size of its population. Distinct from the family planning policies of most other countries (which focus on providing contraceptive options to help women have the number of children they want), it set a limit on the number of children parents could have, the world's most extreme example of population planning.
