### **Benjamin Lee Whorf, John B. Carroll, Stuart Chase's**

The relationship between language and thought has been a subject of debate for many years. The Ancient Greeks perspectives, the 1940s Whorf's theory that argued that language precedes thought, the subsequent cognitive approaches that considered thought to coexist with language all represent the various arguments that have been held on issue.

Language, Thought and Reality after Chomsky . 1. Introduction . In 1956, "Language, Thought and Reality", a famous book B.L. Whorf, was published. In it, some fundamental and very hard questions were addressed, which have remained at the heart of an intense debate since. Such questions include the following: (1) a.
