

laugh out loud stories pdf

Laughter is a physical reaction in humans consisting typically of rhythmical, often audible contractions of the diaphragm and other parts of the respiratory system. It is a response to certain external or internal stimuli. Laughter can arise from such activities as being tickled, or from humorous stories or thoughts. Most commonly, it is considered a visual expression of a number of positive ...

Laughter - Wikipedia

A laugh track (or laughter track) is a separate soundtrack for a recorded comedy show containing the sound of audience laughter. In some productions, the laughter is a live audience response instead; in the United States, where it is most commonly used, the term usually implies artificial laughter (canned laughter or fake laughter) made to be inserted into the show.

My wife and I were a little concerned when a single guy in his early twenties moved into the other half of our two unit townhouse. The previous occupant had been an older woman whom we barely saw, and we didn't know if we would have to endure hearing loud parties every night through the thin walls.
