law for advertising broadcasting pdf

In broadcasting, the watershed or safe harbour is one or more dayparts during which it is appropriate to broadcast programming aimed towards mature or adult audiences.. In the same way that a watershed refers to the crest dividing two drainage basins, a broadcasting watershed generally serves as a dividing line in a schedule between family-oriented programs, and programs aimed at or suitable ...

The Public and Broadcasting | Federal Communications

Advertising is a marketing communication that employs an openly sponsored, non-personal message to promote or sell a product, service or idea.: 465 Sponsors of advertising are typically businesses wishing to promote their products or services. Advertising is differentiated from public relations in that an advertiser pays for and has control over the message.
