

legal path series torts pdf

The tort of breach of confidence is, in United States law, a common law tort that protects private information that is conveyed in confidence. A claim for breach of confidence typically requires the information to be of a confidential nature, which was communicated in confidence and was disclosed to the detriment of the claimant.

Breach of confidence - Wikipedia

The attractive nuisance doctrine applies to the law of torts, in the United States. It states that a landowner may be held liable for injuries to children trespassing on the land if the injury is caused by an object on the land that is likely to attract children. The doctrine is designed to protect children who are unable to appreciate the risk posed by the object, by imposing a liability on ...
