Now on to my review. Lost in Flight is Neeny Boucher's first installment in the Complicated Love Series, and I honestly can't think of a better title for the first book. Christina Martin and Nicholas Riley, mostly known as Riley throughout the book, share a love hate relationship that is both comical and frustrating.

review 2: Lost in Flight is the first book in Neeny Boucher's The Complicated Love Series. It is a most appropriate title as the main characters seem to be both lost in life and love, and their love is most definitely complicated! Christina and Riley have a tumultuous relationship dating back to high school.
