A desert is a barren area of landscape where little precipitation occurs and, consequently, living conditions are hostile for plant and animal life. The lack of vegetation exposes the unprotected surface of the ground to the processes of denudation. About one-third of the land surface of the world is arid or semi-arid. This includes much of the polar regions where little precipitation occurs ...

Burning Man is a festival that happens every year at Black Rock Desert in northern Nevada, in the United States. It lasts a week, and it starts on the last Monday in August, and ends on the first Monday in September (which is also Labor Day in the U.S.). The festival is called Burning Man because a large wood sculpture of a man is set on fire on Saturday.
