A man has come to believe that masculinity comes in the form of dealing with these pressures naturally, being alpha and showing strength through working through and forgetting these pressures.

Man Up eBook - Become A Better Man With Paul McGregor

While we struggle with the idea that there is a single version of masculinity worth aspiring to, depression and suicide among men have reached unprecedented levels. Man Up looks at the challenges and pressures on men today, and suggests ways to survive.

Download Man Up PDF Ebook - ebookdownloads.com

Several books and articles by sociologists back up these observations. There are numerous factors why men are just sort of drifting by today. Changes in the economy and societal shifts in regards to gender are definitely two major factors. But, let's be honest. It's not much a man, let alone a man stuck in neutral, can do about these things.
