The city of Detroit, the largest city in the state of Michigan, was settled in 1701 by French colonists. It is the first European settlement above tidewater in North America. Founded as a New France fur trading post, it began to expand with British and American settlement around the Great Lakes in the nineteenth century. Industrialization drove it into becoming a world-class industrial ...

Concern about overpopulation is an ancient topic. Tertullian was a resident of the city of Carthage in the second century CE, when the population of the world was about 190 million (only 3-4% of what it is today). He notably said: "What most frequently meets our view (and occasions complaint) is our teeming population.
