Aut, Motorky - Servis manu | D-lenski p-ruka

TheHolm writes... Hmm. It looks like fake 4WD. It is too low to be any good off-road. it will have the same capability as the outlander IMO. and thats not much... but you buy these things for guys like me where we need to do dirt roads and things like that and if we need a real 4WD i go back to the office and pick up the Pajero and go wherever i want.
