Secrecy (also called clandestinity or furtiveness) is the practice of hiding information from certain individuals or groups who do not have the "need to know", perhaps while sharing it with other individuals. That which is kept hidden is known as the secret. Secrecy is often controversial, depending on the content or nature of the secret, the group or people keeping the secret, and the ...

Sexually submissive women don't play the games other women play. They love sex and only want to please you in every way they can. They won't reject you, they don't want you to spend your hard-earned money on them and you won't ever have to buy flowers again. Submissive women are addicted to pleasing the man who takes control of them and tells them what to do.

After I tried to implement the knowledge I was totally disappointed – most of the printed books turned out to be completely outdated. You know it is a long process after you write a book, it goes to the publisher, stays in editing for weeks, then the printing office keeps delaying it again and again.
