Survival horror is a subgenre of video games inspired by horror fiction that focuses on survival of the character as the game tries to frighten players with either horror graphics or scary ambience. Although combat can be part of the gameplay, the player is made to feel less in control than in typical action games through limited ammunition, health, speed and vision, or through various ...

Information about English Schools in Japan: Some notes to remember. January until March is the prime recruitment time if you are seeking employment as a teacher at one of the small and/or independent English schools (eikaiwa) in Japan, so you need to make an early decision about your exit from the JET Programme.
