Fingerstyle guitar is the technique of playing the guitar by plucking the strings directly with the fingertips, fingernails, or picks attached to fingers, as opposed to flatpicking (plucking individual notes with a single plectrum, commonly called a "pick"). The term "fingerstyle" is something of a misnomer, since it is present in several different genres and styles of music but mostly ...

Hi Adam, great post, as always. I have a question regarding point 1 though. Tommy Emmanuel gave the advice for learning a new tune: Just play the one tune until you get it under the fingers and do not worry about the repertoire you built up to that point; it will be still there, when you come back to it.

Video Lesson: So let's take a closer look at Chet Atkins' unique finger style technique (which he stole directly from Merle Travis by the way). In this video, I'll walk you through a simple Chet-style melody complete with walking bass line and a melody. In the beginning you'll have to do this very slowly - like REEEAALLY slowly to get the hang of it.
