Mentorship is a relationship in which a more experienced or more knowledgeable person helps to guide a less experienced or less knowledgeable person. The mentor may be older or younger than the person being mentored, but he or she must have a certain area of expertise. It is a learning and development partnership between someone with vast experience and someone who wants to learn.

Waldorf education, also known as Steiner education, is based on the educational philosophy of Rudolf Steiner, the founder of Anthroposophy. Its pedagogy strives to develop pupils' intellectual, artistic, and practical skills in an integrated and holistic manner. The cultivation of pupils' imagination and creativity is a central focus. Individual teachers and schools have a great deal of ...
