However, the power of PDF management systems comes at a price: First, you will not easily see your annotations with apps that are outside your ecosystem (e.g., Preview, Adobe Reader).

The ultimate guide on how to annotate PDF files on the iPad

I talked to Amazon who told me you can have your books on your website while in the Select Program only if you are in their affiliate program and the book is available via one of their book widgets or a text link generated by their affiliate program.
