Did you know that colour and visual elements activate the right brain (emotions), while the printed words activate the left brain (logic)? Colour and Typography remain to be the two most important elements in design. When you harmoniously combine them all you attract a quicker attention to the subject, reinforce impact and recognition, help in establishing powerful identities and brand, set ...

What Exactly is Sprezzatura? Though it has been associated with the resurgence of interest in menswear fueled by the internet, the Italian word sprezzatura is actually quite old. It was first used by Baldassare Castiglione (1478-1529) in The Book of the Courtier, a classic of Italian Renaissance literature. Castiglione's aim was to instruct noblemen on proper manners and comportment, and part ...
