victorian photography painting and pdf

Fairy painting is a genre of painting and illustration featuring fairies and fairy tale settings, often with extreme attention to detail. The genre is most closely associated with Victorian painting in Great Britain, but has experienced a contemporary revival. Moreover, fairy painting was also seen as escapism for Victorians.

Post-mortem photography (also known as memorial portraiture or a mourning portrait) is the practice of photographing the recently deceased. Various cultures use and have used this practice, though the best-studied area of post-mortem photography is that of Europe and America. There can be considerable dispute as to whether individual early photographs actually show a dead person or not, often ...
