The Catholic Church opposes all forms of abortion procedures whose direct purpose is to destroy a zygote, blastocyst, embryo or fetus, since it holds that "human life must be respected and protected absolutely from the moment of conception. From the first moment of his existence, a human being must be recognized as having the rights of a person" among which is the inviolable right of every ...

The recent resources boom in Australia saw a commensurate focus on workplace health and safety. It also created a perfect opportunity to generate transformational change using risk theory with a transdisciplinary evidence based approach. However, affirmation from many projects indicates significant regression with a resurgence of egocentric accident theory, which is antagonised by a plethora ...

In August 2017 Donald Trump tweeted that transgender people were no longer welcome in the military because they are a "burden" due to "tremendous medical costs and disruption". This was the latest in a series of attacks on transgender people which include attempts to overturn legislation that allows people to use the toilet for their preferred gender.

Crass' first release was The Feeding of the 5000 (an 18-track, 12" 45 rpm EP on the Small Wonder label) in 1978. Workers at the record-pressing plant refused to handle it due to the allegedly blasphemous content of the song "Asylum", and the record was released without it. In its place were two minutes of silence, entitled "The Sound of Free Speech".
