Commercial residential Hardware Selecting the right door

We Want Your Views " We Need to Get the Plan Right. Every Door is the Right Door is a consultation paper developed by the Minister's Advisory Group. It sets out a framework for the proposed strategy, which I introduced at a Summit on Mental Health and Addictions (July 13 and 14, 2009). Now I need your help and advice.

Every Door is the Right Door - OUCHA

» Take into account how far the door will need to open How far or to what angle a hinge will allow a door to open is called degree of opening. Some hinges will let the door open just beyond 90°, but others offering a much greater degree of opening are available. For example, a 270° hinge will allow the door to swing back against the cabinet side.

How to choose the right hinges for your project
