Toxoplasmosis is a parasitic disease caused by *Toxoplasma gondii*. Infections with toxoplasmosis usually cause no obvious symptoms in adults. Occasionally, people may have a few weeks or months of mild, flu-like illness such as muscle aches and tender lymph nodes. In a small number of people, eye problems may develop. In those with a weak immune system, severe symptoms such as seizures and poor ...

Digital marketing is going to change drastically in 2019. And sadly, you aren't going to like a lot of the changes. And no, I don't mean change from a competition standpoint. You already know that each year marketing gets more expensive and more competitive. That's just a given. Just look at the graph above: that's [€]

The ideas that sprang from the panel were varied and interesting. It was decided that the markers would need to be designed to impart multiple levels of information, ranging from the rudimentary "something made by humans is here" to the more complex, such as the exact composition of the waste. This approach, coupled with redundancy, was hoped to allow future discoverers to realize that the ...

Bananas are the most popular fruit in the world, with more than 100 billion consumed annually. [1] Bananas have been sold in North America since the late 1800s, although the popular variety at that time is not the one we enjoy today. [2] In 1890, a disease spread throughout banana-growing regions of Latin America and the Caribbean and destroyed many banana farms.
