Black Lives Matter (BLM) is an international activist movement, originating in the African-American community, that campaigns against violence and systemic racism towards black people. BLM regularly holds protests speaking out against police killings of black people, and broader issues such as racial profiling, police brutality, and racial inequality in the United States criminal justice system.

Early life and education. Wise was born in Nashville, Tennessee, to Michael Julius Wise and LuCinda Anne (née McLean) Wise. His paternal grandfather was Jewish (of Russian origin), while the rest of his ancestry is northern European, including some Scottish. Wise has said that when he was about 12 years old his synagogue was attacked by white supremacists.

By now, it seems patently obvious that blacks are a much more primitive, even bestial race (), probably on the order of 200,000 years less evolved than the Caucasian race (depending on how much stolen White genetics a few have). Although still different, I consider the hard-working, law-abiding and clean Asians to have more in common with White people than blacks, by far.

Debra Brown Sprindale, OH. My question is based on my belief that though things are better in the US between the races (by “races” I mean Blacks and whites, specifically); there is an underlying animosity from white people, as a group, against Black people, as a group, that persists.

### **Why do they hate us so? - The Race Card Project**

The word “race,” denoting lineage, comes from a French translation of *haras* (silent “h”) into the Italian *razza* which in Italian of that time applied to animals, not people. This points to current English and Italian usage being derived and adapted, respectively, from the French.

Racism is the belief in the superiority of one race over another, which often results in discrimination and prejudice towards people based on their race or ethnicity. The use of the term “racism” does not easily fall under a single definition. The ideology underlying racism often includes the idea that humans can be subdivided into distinct groups that are different due to their social behavior ...
