

### **why did romans march pdf**

The very last post for the Romans Study For Kids! Today we begin digging into our last chapter in the book of Romans. I pray that you have learned a lot about yourself, about the church, and about Jesus as you have worked through this study.. We are going to do the first part of Romans 16 a little different.

The use of Roman numerals continued long after the decline of the Roman Empire. From the 14th century on, Roman numerals began to be replaced in most contexts by the more convenient Arabic numerals; however, this process was gradual, and the use of Roman numerals persists in some minor applications to this day.

Ides. The Romans did not number days of a month from the first to the last day. Instead, they counted back from three fixed points of the month: the Nones (5th or 7th, depending on the length of the month), the Ides (13th or 15th), and the Kalends (1st of the following month). The Ides occurred near the midpoint, on the 13th for most months, but on the 15th for March, May, July, and October.
