Course Schedule | Cottey College

Modernism is a philosophical movement that, along with cultural trends and changes, arose from wide-scale and far-reaching transformations in Western society during the late 19th and early 20th centuries. Among the factors that shaped modernism were the development of modern industrial societies and the rapid growth of cities, followed then by reactions of horror to World War I.

Modernism - Wikipedia

Forbes is a global media company, focusing on business, investing, technology, entrepreneurship, leadership, and lifestyle.
