Components of Resilience. Resilience is defined differently depending on who you ask; psychological researchers may have one working definition (or many!), while those who work directly with people who are struggling often see it differently.. There is no single accepted set of components of resilience, but this set of characteristics and contributing factors can provide a useful guide:

How To Measure Resilience: 8 Resilience Scales For Youth

Ultimately, the key to maintaining productivity when working from a home office is structure. From the physical structure " of having a discrete space, with a door, to be able to close out external noises and distractions " to the mental separation of either being "at work" (in the home office space) or not (by leaving your home office for the rest of the house).

Managing Personal Productivity When Working From A Home Office

The challenges of today's church are many and it is difficult to define which are the most ominous. But from my years of working with the church, I would say that its greatest malady usually boils down to two chronic impediments, with which pastors and church leaders continually strive to overcome.

What are the greatest challenges for the church?

The Scope of Mendelian-Disease-Related Phenotypes. Our knowledge of the diversity of Mendelian phenotypes is increasingly sophisticated, but substantial gaps remain. 39 Specifically, it is challenging to establish the number of Mendelian phenotypes that exist, to delineate new Mendelian phenotypes, to distinguish novel from known Mendelian phenotypes, to define what constitutes expansion of a ...

Talent and capability in global finance functions

At the center of the ecosystem are fintech startups. These companies are mostly entrepreneurial and have driven major innovations in the areas of payment, wealth management, lending, crowdfunding, capital market, and insurances by incurring lower operating costs, targeting more niche markets, and providing more personalized services than traditional financial firms.
